“ *My mother and I joined St. Ailbe Church about 20 years ago. One of the first people who we met and talked to was Ms. Dunigan. We shared family stories and got to know her and she knew our family. Later she would bring her granddaughters to church and we could see the joy that it brought for her. She was extremely proud of her granddaughters. She was an important part of our church family and she will be missed!*
