“ *TRIBUTE TO MY MOM*

To the Best “MOTHER” and “Cook” in the whole world. Thank you letting me be “1” of your daughters. I will truly miss you being the one that I could talk to about anything. Thank you for ALL of our family and friends that you have looked out for; during your life time. Everybody that met you knew that if in any way that you could lessen the burden in their life you would; or you would assist them in finding someone that could help. “MOM” Know that you were “LOVED”. This “One” will miss you; however, you know that we must stick together and take care of each other. Love BELINDA!
