“ My name is Ethel Witt-McCall...As the oldest remaining sibling of nine, I am happy that my brother impacted my life by "setting the tone" of independence and positiveness to follow in shaping my life.

"Although, my brother has passed away in the flesh, in Spirit, he can NOW eternally let his light shine all over the world!"

My older brother William has gone to join my parents, Sadie and William Mahan, together with three other siblings that preceded him in passing. He is eternally our Ace.
